

### **Greg Stemm**

EO Central Florida  
YEO President, FY 1992/1993

One focus during the fiscal year was the expansion of staff to accommodate 11 new chapters and the rapid growth the organization.

### **HIGHLIGHTS**

- The creation of a financial system and an organizational structure that could be continued by each Board of Directors was paramount under Greg's leadership as President.
- The first international Forum training was held, notably the largest Forum training session held to date. Over 20 YEO members converged in Toronto where members from Canada, Mexico, and the United States took advantage of this learning opportunity to gain knowledge and insight into the tumultuous business world.
- The YEO World Link University was held from 26-29 August, 1992 in Vancouver, Canada for 170 attendees. The event was hosted by David Steele.
- The Pacific Coast Regional Conference was held in San Diego, California, USA in May 1993; chairpersons of the event were: Stuart Whitney, Ron Miller and Rick Oshay.
- The launch of the second Birthing of Giants program was held in June.
- Mohamed Fathelbab became the YEO's first official Forum trainer.
